## ABOUT US

Sweet World, was founded in 2008 as a result of a merger of two independent companies operating since the early 90's. Creativity and experience acquired before and after the merger, have resulted in a dynamic and rapidly growing company. Not only is our customer base in the frozen beverage sector rapidly growing every year, but our products are now becoming very popular in the toys and confectionery industry worldwide. For years we have been showcasing our products at international trade shows around the world.

In our offer you will find a full range of products for preparing and serving frozen beverages such as slush syrup concentrates, ice coffee and frozen yogurt powders. You will also find a large selection of cups with different capacities, slush machines, parts and very attractive marketing materials and supplies.

We are the leading European producer of slush syrup concentrate, as well as blends of ice coffee and frozen yogurt powders. Our products under the ONE SLUSH brand are distinguished by the highest quality, great taste and a wide range of delicious flavors and colors. Our concentrates are safety certified and tested by SGS. Using our syrups and powders guarantees longevity and safe operation of your slush machines.

Sweet World is the leading distributor of slush equipment in Poland. In our offer you will find equipment from one of the top manufacturers in the industry CAB S.p.A. Made in Italy, which offers unmatched reliability and modern design.

We offer our customers a wide range of advertising and marketing materials. We have the ability to personalize cups by placing customized private logos.

If you are looking for proven products of the highest quality made in Europe and the best customer service – we invite you to join us!
